DETAILED ACTION

Claim Rejections - 35 USC § 112

Claims 24, 25, 29 and 30 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 24, line 11, "said tub" is unclear as to its meaning.

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 24, 25, 29 and 30 are rejected under 35 U.S.C. 102(b) as being anticipated by ***Boyd (US Patent 3,831,587)***.

Boyd teaches a multipurpose vaginal and cervical device having a catheter including a proximal end and a distal end. The thin flexible membrane is attached to the inside of the distal end of the catheter. A pressurized fluid allows the device to unravel from the inside out.

Conclusion

Summary: Claims 24, 25, 29 and 30 are rejected.
